The screenshot shows the GitHub Classroom interface for a team named "AgatheMadeleine". The top navigation bar includes "Pull requests", "Issues", "Marketplace", and "Explore". The breadcrumb trail shows "DataCampM2DS..." and "AgatheMadeleine". The "Discussions" tab is selected, with other tabs for "Members", "Teams", "Repositories", and "Projects".

On the left sidebar, the team's profile is visible, featuring a logo with the letters "TR" and the name "AgatheMadeleine" with a "Secret" label. Below the name, it states "AgatheMadeleine created by GitHub Classroom". There is one member listed with a small profile icon, and an "Unwatch" button is present at the bottom of the sidebar.

The main content area shows a text input field for starting a discussion: "Start a discussion with @DataCampM2DSSAF/agathemadeleine". Below this, there are tabs for "Recent" (selected) and "Pinned". A large message box in the center of the page reads: "There are no discussions for this team yet. Start a discussion by typing in the box above." with a speech bubble icon.
